I love Roblox, but sometimes it's hard to keep the game up and you seem to be forced to buy certain games. I think there should be a better way of getting new people in the game and not having so many bad games out there. Everyone is trying to make money off of Roblox, which is good, but I just wish that they could make more updates for the games and keep them working properly.

- The game is too expensive. I cringe when I see that a certain hat costs 2 million Robux. Robux are the currency used in Roblox, and I have no idea where to get them in game. But it's pretty obvious that you have to pay real money for them or use your parents' credit card to access the store. And if you do use your parents' credit card, then they'll try to find out why you were so interested in a child's game and they will most certainly look at the Roblox website or app, which will reveal that there are so many games with suggestive themes/language that it will make your eyes bleed (and your mom/dad's too).

Rated 5 out of 5 by Anonymous from I love roblox This game is great! I play it all the time, it helps me a lot with my school work! It also helps me get better at math and reading. We are supposed to have it in our classroom but we only used it for homework so far. The thing that I don't like about this game is that some one really has to tell you what to do. They don't run the servers themselves so they often change things and cut off some features. It's also expensive, but I think it's worth the money.

In addition to this, they also generate revenue through selling virtual items (like the aforementioned Builders Club and ROBLOX Credit). ROBLOX has been criticized for its lack of funding from advertisers as well as allowing other companies to make games on ROBLOX. The company has been criticized for their children friendly ads which are designed to be easily visible by children but are very inappropriate for them which is seen as a breach of the COPPA (Children's Online Privacy Protection Act) and their end user license agreement, although ROBLOX has since changed its policy. The company also uses an "Ads on the Web" program where they can serve certain types of ads depending upon a player's age and location.
